VACATION VERSE.

When do you start on your vacation?
When you have paid up every debt?
Oh, well, if that's the situation,
You needn't pack your grip just yet.

—Indianapolis News.

The time has come when Ma and all,
The little children and the tail,
The cat, the pup, the parrot, too,
The baby with his soft goo-goo.
Climb around with shoulder unto shoulder
While Ma spreads out the railroad folder,
Lost in the sweet vacation spell
Of picking out a cheap hotel.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green
spectacles on his cow and fed her shavings. His theory
was that it didn't matter what the cow ate so long as she
was fed. The questions of digestion and nourishment had
not entered into his calculations.
It's only a "tenderfoot" farmer that would try such
an experiment with a cow. But many a farmer feeds him-
self regardless of digestion and nutrition. He might almost as well eat shavings
for all the good he gets out of his food. The result is that the stomach
grows "weak" the action of the organs of digestion and nutrition are impaired
and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the or-
gans of digestion and nutrition and brace up the nerves,
use Dr. Pierce's Golden Medical Discovery. It is an un-
failing remedy and has the confidence of physicians as
well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medi-
cine. It contains neither intoxicants nor narcotics, and is as free from alcohol
as from opium, cocaine and other dangerous drugs. All ingredients printed on
its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for
stomach, liver and blood "just as good" as "Golden Medical Discovery."

It Is a Foregone Conclusion

That when you start out to buy the best you look at our line first. We owe our success to the discriminating buyer, who looks before he leaps and
compares before he buys.

For the swagger dresser and the swell young man our line is the best bait, and he never gets off the hook, either.
Our Boys' and Childs' Garments show the same characteristics. Aside from their unique styles, they are as near boy proof as it is possible
for clothes to be.

Quality and economy go hand in hand in our line and our high reputation goes with them.

The same holds good with our Shoes.

We have just gotten in a full line of Automobile Coats, all weights.

When you pay your bill don't forget to ask for tickets on our Automobile Buggy that we are going to give away.

wants it understood that he carried the wet
goods open and above board, notwithstanding he

AMUSEMENTS.

The opening of The Washington theatrical season last night by the Hayes-Connolly Stock Company drew a packed house. The drama, "Paid a Debt," was well staged and pleasingly acted and every feature of the opening night seemed to delight the 800 people present. The mystifying tricks of Miss Eva Allen were the wonder of the evening. This lady is evidently master of the occult art and her work throughout the week will no doubt alone be sufficient to fill the house. Don Fabio as the premier contortionist is a topline, and every feature of the show is much ahead of the stocks which have visited Maysville. It is a show of merit and is bound to please.

Next Tuesday night, September 7th, "Madame Butterfly," one of the largest and most gorgeous musical comedies ever seen on any stage, will be the attraction at The Washington, with 60 people and 20 musicians.

September 9th the leading drama, "The Climax," which opened the Grand at Cincinnati Sunday night, will be rendered by the same company at Maysville.

MR. SEPTIMUS O. CLARK.

Mr. Septimus O. Clark, at one time a wealthy and prominent citizen of Mason county, passed away at the County Infirmary this morning at 1 o'clock, after a painful and lingering illness of dropsy, aged 56 years. Sep Clark was a member of one of the leading families of Kentucky until ill-luck and other unfortunate circumstances turned the tide of social conditions against him.

He leaves a daughter, who resides in Minerva, and many other relatives, but no one to mourn, sincerely, for a victim of his own, though human, frailties.

Unless his relatives take charge of the remains and inter them, Superintendent Rosser of the Infirmary will be compelled to bury them in the Potter's Field at the Maysville Cemetery.

FREE For "Summer Complaint"

The common ailment of these hot days is "Summer Complaint," or diarrhea. It is very annoying and weakening and upsets the stomach. The cause of the trouble usually lies in food and water, which in the summer time are often laden with germs, but with many it is due to eating too much fruit or to eating over-ripe fruit. Whatever the cause it is not good to take an astringent remedy that binds up the bowels and stops the flow too suddenly, but take a reliable, natural laxative like **DR. CALDWELL'S SYRUP PEPSIN**.

Its antiseptic properties remove the germs which have been causing the irritation. Children like it especially because of its gentle action and pleasant taste. Salts and purgative waters, tablets or pills, act so violently as to weaken you still more, and do but temporary good. **DR. CALDWELL'S SYRUP PEPSIN** is the best remedy you can obtain for constipation, indigestion, summer complaint or summer colic, biliousness, sick headache, etc. All druggists sell it and it costs only 50 cents or \$1.00 a large bottle. It is for all members of the family and should be your household remedy for these purposes.

COZY HOMES

OF YOUR OWN.

When you stop to think of the many pleasant gatherings you can have in a home of your own, can't you see the time you are wasting in a boarding-house, where nothing is or can be just as you want it? Half the joy of living is in associating with your friends—going to their homes and having them come to yours. What can you do in this way if you occupy a stuffy room in a boarding-house? How can you entertain your friends as they entertain you? Besides, it is so easy to

GET THE LITTLE HOME ACCORDING
TO OUR PLAN

that you have absolutely no valid excuse for not having one. You can't consistently postpone your wedding from month to month and use as your excuse that you can't afford to give your sweetheart a home. That's all nonsense. You can give her a home tomorrow, and it won't embarrass you a bit financially. You can give her a home on the salary you are earning today. If you really want the girl, and want the home, there is nothing that stands in your way. We can tell you of a number of homes that we have created for young people, and they are as happy as they can be. Come in and let us tell you all about it and show you the cozy little homes we can make from \$75 upwards.

The Record in Maysville Is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Mrs. Nathan A. Hafer, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining beneficial results. There was a constant dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning felt very tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. J. Wood & Son's Drugstore. They proved very beneficial in my case and in a short time cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Spices That Spice

Spices are such an important item that all grocers and many druggists buy them without knowing anything about their grade and flavor; but this is a store that gives strict attention to the little things, and we are as careful in buying spices as we are in buying drugs. The result is that we can guarantee the flavor and purity of every spice we carry.

As with every other item of drugs, we sell them at the lowest prices that this quality may be had for.

It is extravagance to pay more because it is unnecessary.

It is extravagance to pay less, for you cannot get fine spices for less.
